ARTICLE 7. CLERKS WORK CLAUSE

Section 7.1 **The Company may utilize any DSD vendor assistance available to the trade or under prevailing practice.**

If a violation occurs and a grievance is filed and a settlement is agreed upon, the most senior person not getting 40 hours would be permitted to work the hours. If the agreed upon hours result in overtime or premium pay, then the next senior associate would be permitted to work until the hours are satisfied. The employee must exercise this right to work within 4 weeks of the settlement or such rights shall be forfeited and no further remedy shall be required.

Section 7.2 **It shall be a violation of this Agreement for Deli/Bakery Clerks to perform Regular Clerk duties.** Any such employee performing Regular Clerk duties shall be paid in accordance with 7.3 (b), (c) and (d) except at the rate of the next higher Regular Clerk rate bracket.

Section 7.3 It shall be a violation of this Agreement for Utility Clerks to perform any duties other than those set forth in 8.4 (c). In order to ensure compliance with the provision, the parties agree as follows:

- a) The Employer shall post in each of its stores a notice to the employees signed by an authorized Employer representative instructing all employees of the duties of Utility Clerks and *instructing all employees that the performance of any other duties constitutes a violation of the contract.*
- b) Upon the first violation of this Section, the Utility Clerks in the store involved shall be paid the regular clerks starting rate for all hours worked in the week or weeks in which the violation occurred including hours worked in performance of Utility Clerks duties.
- c) Upon the second violation in the same store, all Utility Clerks in the store involved shall be paid the regular clerks starting rate for all hours worked in the week or weeks in which the violation occurred including hours worked in performance of Utility Clerks duties.
- d) Upon the third violation in the same store, all Utility Clerks in the store involved shall be paid double the Utility Clerks rate for all hours worked in the week or weeks in which the violation occurred including hours worked in performance of Utility Clerks duties.

ARTICLE 8. SENIORITY

Section 8.1 Seniority shall be defined as the length of continuous employment with the Employer within the bargaining unit and shall begin with the employee's last date of employment. For seniority purposes, a "date of employment" shall mean a date the employee actually commences work on the job. Seniority ranking for employees commencing employment on the same date shall be determined by the day and month of birth. The employee whose day and month of birth is closest to January 1, within the calendar year, shall have the greatest seniority. Supervisors transferred back to the bargaining unit shall be credited for all seniority earned prior to the supervisor's promotion out of the bargaining unit.

Section 8.2 No employee shall acquire any seniority rights until he has been employed by the Company for at least thirty (30) days, provided that after thirty (30) days employment, the seniority shall revert to the last date of hire.

Section 8.3 Seniority may be broken only by quit, justifiable discharge, layoff for one (1) year, employment with the Employer outside the bargaining unit for one (1) year or failure to return to work in accordance with the terms of a leave of absence or recall from layoff.

Section 8.4 In the application of seniority, there shall be 3 seniority groups:

- 1) Regular Clerks**
- 2) Bakery/Deli Clerks**
- 3) Utility Clerks**

The seniority groups are defined as follows:

- a) **Regular Clerks are all employees other than classified employees, Bakery/Deli Clerks, and Utility Clerks.**
- b) **Bakery/Deli Clerks** are all employees working exclusively in Bakery and Deli Departments.
- c) **Utility Clerks** are all employees whose duties are limited to sorting, bagging and packaging sold merchandise; carrying and loading sold merchandise; sweeping floors anywhere in the store; cleaning the parking lot and other adjacent areas outside the store; filling bag racks; cleaning areas around and in front of the checker lanes; cleaning rest rooms; collecting and sorting returnable containers; disposing of trash and rubbish; washing and cleaning of shelves and fronts of cases, without handling merchandise; washing windows; posting of window signs; returning of merchandise left by customers from check stands to shelves or displays; changing light bulbs, tying paper/cardboard bales (over 18 years), cleaning employee break area and cleaning inside and

outside the store; mopping of store and blocking shelves between the hours of 8:00 p.m. to 7:00 a.m. for a maximum of sixteen (16) hours per day per store.

- * The above is intended to refer to gift baskets throughout the year. It is not the intent of the parties to change their present practice of mass fruit basket preparation at the holiday season.

Section 8.5 The transfer of an employee to a seniority group having a higher wage schedule shall be deemed a promotion. Such employees shall have two (2) seniority dates, to wit: the date of hire and date of promotion. Within the employee's new seniority group, the date of promotion shall apply. In the event an employee is returned to a lower seniority group, the date of hire shall apply. In the event an employee is returned to his higher seniority group, the time previously spent in the higher seniority group shall apply for the purpose of establishing the seniority date.

Section 8.6 The Employer shall prepare seniority lists as follows: The Employer shall prepare a master list for all stores covered by the contract and a separate list for each store. The Employer shall prepare the master list once each six (6) months. The separate store list for each seniority grouping shall be prepared each four (4) months. Copies of all lists shall be submitted to the Union and maintained in the store office. Additionally, copies of the separate store lists shall be posted in the store in a conspicuous place accessible to the employees. The list shall include each employee's name, rate of pay, date of hire, classification and promotion date where applicable. No employee shall be bound by a seniority date appearing on a list if, in fact, the seniority date is incorrect.

Section 8.7 In order to maximize the opportunity for employees to exercise seniority rights in a manner which will allow employees to work in stores convenient to their store of last employment, the parties agree that there shall be mutually agreed upon geographical groupings of stores. Employees' seniority rights shall be exercised on a store basis, geographic grouping basis as well as a local union basis as more specifically set forth below. By mutual agreement, the geographic grouping may include stores located within the jurisdiction of two (2) or more locals. In the event of a new store opening, the parties agree to meet prior to the date of posting the new store opening to discuss the geographic grouping and revise the same if necessary. In the event of a store closing, the parties agree to meet within seven (7) days following the store closing to discuss the geographic grouping and revise the same if necessary.

Section 8.8 **Layoffs:** Layoffs within the store shall be on a strict seniority basis within the affected seniority classification. The Employer shall offer employees a reasonable period of training, up to thirty (30) days if necessary, to comply with this seniority requirement. A laid off employee shall have the following options based upon seniority.

- a) The laid off employee may elect to transfer within his seniority classification to any store in the geographic grouping provided that in the store selected by the laid off employee, there is at least one (1) less senior employee working in the same classification. If the transfer involves work which the employee has not previously performed, then the Employer shall offer the employee a reasonable period of training, up to thirty (30) days.
- b) In the event the laid off employee's seniority does not permit a transfer within the geographic grouping, then the laid off employee may elect to transfer to any store within the jurisdiction of the local union in accordance with the employee's seniority, on the same basis and under the same conditions as set forth in paragraph (a) above.
- c) A laid off employee may elect to take a demotion to a lower seniority grouping within his store (a seniority grouping with a lower wage schedule). The employee will then be placed upon the applicable seniority list based upon the employee's last date of hire.
- d) Lateral transfer between equal wage structure seniority groups within the store.
- e) In lieu of exercising the above options, the employee may elect to accept lay-off status. Before hiring any employees or promoting an employee to a job within the laid off employee's seniority classification, the Employer will offer the job to employees who exercise the demotion option of paragraph (c) above or employees on the lay-off list, in accordance with seniority. An employee may decline to accept a recall to any store other than to one within the same geographic grouping from which the lay-off occurred without forfeiting the recall rights.

Section 8.9 All employees shall have recall rights up to one (1) year from lay-off. Employees shall be notified of recall by certified mail to their last known address if the Employer is unable to contact the employee by telephone.

Section 8.10 An employee who is reduced in hours by more than six (6) hours per week for four (4) consecutive weeks will be eligible to transfer as set forth above. The base period used to determine the six (6) hour reduction will be the average number of hours worked

during the preceding four (4) weeks. Employees who wish to transfer under this provision must notify their store manager in writing, with a copy to the Union. The transfer will be made in accordance with 8.8 above and will be effective the beginning of the second week following receipt of such notice.

Section 8.11 Any employee laid off as a result of a store closing or any employee laid off as a result of transfer pursuant to the aforesaid transfer provisions, including a lay-off occasioned by the transfer of an employee from a closed store, shall have the same transfer rights as set forth above.

Section 8.12 Promotions and Demotions: Promotions and demotions shall be handled in the following manner, except as otherwise provided for in paragraph 8.8 (e):

- a) When a job opening occurs within a store, it shall be filled either by a voluntary transfer in accordance with paragraph 8.13 or by an employee from the next lowest seniority group within the store. After giving due regard to seniority, the Employer shall have the right to exercise his judgment. Such decision shall be subject to the grievance procedure.
- b) Promotions to classified jobs shall be within the sole discretion of the Employer, provided, however, that all classified jobs shall be filled by unit employees. This does not preclude the right of the Union to grieve such promotion.
- c) The Employer shall afford every promoted employee a reasonable period of training in the position, up to thirty (30) days.
- d) An employee promoted to a classified job must perform the duties of the classified job.
- e) No employee shall be demoted from any seniority group or any classified position specified in Section 10.3 without just cause.

Section 8.13 Involuntary and Voluntary Transfers – The Employer may transfer employees to meet the necessities of the business with the following limitations and under the following conditions:

- a) No employee shall be involuntarily transferred outside of their geographical grouping.
- b) In the event a transfer is required outside of the geographic grouping, the Employer will first seek volunteers. In the event no volunteers apply for a transfer, the Employer will make the transfer in accordance with inverse seniority.
- c) No involuntary transfer will be made when it is known that a reduction in hours for the transferred employee will occur.
- d) Should the regular employee be temporarily transferred from his

or her regularly assigned store to another store and such transfer results in additional transportation expense, the employee will be reimbursed by the Company for such additional transportation expense. Transportation cost shall be computed on the basis of the Federal Travel Expense Standards in effect at the time or the Employer's regular mileage reimbursement rate.

- e) An employee desiring a transfer to a store closer to home shall notify the Employer in writing of his or her desire to transfer to a specific store. In the event of a job opening in the specific store within the employee's seniority classification involving a comparable number of hours, the Employer will transfer the employee to the specific store. The employee requesting the transfer must have greater seniority than other employees on layoff in the geographic area or other employees in the store who have requested to fill the job opening.

ARTICLE 9. WORKING CONDITIONS

Section 9.1 The basic workweek shall be forty (40) hours to be worked in five (5) days, eight (8) hours per day, not necessarily consecutive, between Monday through Saturday. During the life of this Agreement, there shall be no change in the basic workweek without first obtaining the approval of the Union.

Section 9.2 Employees will be paid time and one-half (1 1/2) at regular rate of pay for work performed on the sixth (6th) day of any week, regardless of total weekly hours, except in a case where an employee accepts a call-in that results in a sixth (6th) day's work or in a case where the sixth (6th) day results from the claiming of hours or scheduling pursuant to a claiming of hours in accordance with 9.13.

Section 9.3 Employees will be paid time and one-half (1 1/2) their regular rate of pay for work in excess of forty (40) hours per week.

Section 9.4 Employees will be paid time and one-half (1 1/2) their regular rate of pay for work in excess of eight (8) hours per day. **However, employees may waive this by mutual agreement. *Mutual Agreement: – When referred to in this contract, “mutual agreement” means when both the employee and the Employer jointly agree to the benefit of both on a specific subject. Any dispute arising from the application of mutual agreement, subsequent situations will require the use of documentation between the employee and the Employer.**

Section 9.5 Time and one-half (1 1/2) shall be paid on the weekly basis or daily basis, whichever is greater, but in no case on both.

Section 9.6 No employee shall be scheduled for less than three (3) hours work on any day of the week. All employees reporting to work as scheduled shall be guaranteed the number of hours work as indicated on the work schedule for that day, or shall receive pay in lieu of such hours worked, except in cases of emergency due to Acts of God, civil disorder, strikes, or boycotts. All employees called in to work on an unscheduled day shall receive a minimum of three (3) hours work, or three (3) hours pay in lieu thereof. No employee shall have his workweek reduced or be required to take time off as a result of this paragraph of the contract.

Section 9.7 For employees on the payroll on November 10, 1987, work performed on Sundays shall be considered as premium work and such work shall be paid at the employee's straight-time hourly rate plus one dollar (\$1.00) per hour except Utility Clerks hired prior to November 10, 1987 who shall receive their straight-time rate plus fifty cents (50¢) per hour. Sunday work may be considered to be part of the basic workweek. 9.1 notwithstanding, for forty (40) hour employees provided they are scheduled to work at least eight (8) hours. If an employee works Sunday hours and receives time and one-half (1 1/2) pay for working more than forty (40) hours in that week, the Sunday premium will not be paid for the number of time and one-half (1 1/2) hours paid. Sunday and holiday work shall be scheduled by the Employer and shall be rotated among all employees who volunteer for Sunday work. Should an insufficient number of employees volunteer, the Employer shall have the right to schedule from the least senior in inverse order. Senior employees shall have the right to the Sunday and holiday schedule with the greatest number of hours.

Within the third week of the month, the Employer shall post a notice next to the weekly work schedule requesting volunteers for Sunday work and holidays, if any, during the following month. Once posted and scheduled, an employee who fails to meet their commitment will forfeit their right to rotation for the month. Employees requesting Sunday or holiday work shall have the right of the greatest number of hours scheduled for the day in question, by seniority.

Section 9.8 The Employer shall post in ink or other permanent means in each store the current work schedule for all employees working in the store. The schedule shall be posted by no later than Thursday, 4:00 p.m. of the week preceding the scheduled workweek. The schedule shall list the names of the employees in accordance with seniority and classification. All hours for the week shall be posted in accordance with seniority, on the schedule. Forty (40) hour employees shall have the right to select a day, Monday through

Friday, as their scheduled day off in accordance with seniority and shall notify the store manager of their preference. Once so notified, the employee shall be regularly scheduled for the preferred day off. Work schedules shall be maintained in the store for a three (3) month period of time and shall be made available to an authorized representative of the Union for examination upon request. No employee who is called in to work out of the posted work scheduled shall be required to take compensatory time off from the posted work schedule. Schedules must be posted in an area that is accessible to all employees.

Section 9.9 An employee scheduled to work during any week shall be scheduled a minimum of twelve (12) hours. The employee's hours may be claimed below twelve (12) by a senior employee on the payroll on December 31, 1992 who is scheduled for less hours than his/her previous year's average. The senior employee may claim sufficient hours from the junior employee's minimum schedule to equal his/her previous year's average. This provision does not prohibit a senior employee from otherwise claiming up to eight (8) hours per day or forty (40) hours per week in accordance with 9.13. The previous year's average will be the average hours used for vacation purposes.

Section 9.10 Employees shall not be scheduled to work a split shift. A split shift is defined as two (2) shifts more than one (1) hour apart.

Section 9.11 The Employer agrees that a minimum of three (3) employees shall be scheduled during the hours the store is open for business.

Section 9.12 **Call-in Hours and Additional Hours:**

- a) Call-in hours are defined as replacement hours occasioned by absence of an employee. The Employer will make a reasonable effort to call in employees in accordance with seniority. Employees will have the right to refuse a call-in. The Employer shall not be obligated to call an employee in accordance with seniority if the replacement hours would result in overtime for the called in employee.
- b) Additional hours are defined as hours added to the posted schedule due to business needs through the call-in of additional employees or through the assignment of additional hours to employees at work.
- c) In the event additional hours are occasioned by the need for additional employees, the Employer will call in employees in accordance with paragraph (a) above.
- d) In the event additional hours are occasioned by the need to assign additional hours to employees at work, such hours shall be

offered to employees at work in order of seniority providing such work does not result in overtime. If overtime is necessary, such work shall be offered by seniority. Failure to obtain sufficient volunteers, the hours shall be assigned in inverse order of seniority.

Section 9.13

- a) Employees within their seniority group shall be eligible to claim available hours up to and including eight (8) hours per day, and up to and including forty (40) hours per week in a regular workweek, including any portion of a less senior employee's hours in accordance with seniority. It is understood and agreed that Sunday and/or holiday hours may not be claimed pursuant to this section. Hours claimed on the sixth (6th) day in a workweek or in excess of thirty-two (32) in a calendar holiday week, will be paid at straight-time.
- b) Employees on the payroll on December 31, 1992 who were regularly claiming a "split shift" in accordance with this paragraph may continue such claiming. Such employee's right to claim available hours shall include the right to claim all or any portion of a junior employee's schedule commencing prior or upon the termination of the senior employee's schedule or within four (4) hours thereof, so long as the result of the claim permits the junior employee to work a minimum of three (3) unclaimed hours. A claim within such time period shall not be construed as a split shift.
- c) An employee shall not be required to make the same available hours claim after three (3) successive weeks. Once an employee has claimed hours, the schedule shall be adjusted consistent with the employee's claim for future weeks. Failure to do so shall be a violation of this Agreement and the employee shall be entitled to pay for the hours in question.
- d) Employees who regularly work forty (40) hours under the preceding labor agreement shall not have their hours claimed except on a seniority basis by other employees who worked forty (40) hours under the preceding labor agreement. Employees who have voluntarily reduced their hours below forty (40) hours per week may have their hours claimed in accordance with this section.
- e) Once the work schedule has been posted, as per Article 9.8, employees wishing to claim additional available hours must make their wishes known to the store manager, or his designee, within twenty-four (24) hours of such posting or waive their rights to claim such additional hours for the balance of the work schedule as posted.

- f) Employees who at any time have voluntarily limited their availability for number of total hours of work may thereafter claim additional available hours but may not claim previously scheduled hours of another employee until a vacancy occurs or additional hours become available. Employees who at any time have voluntarily limited their availability for work on any days of the week may thereafter claim additional available days but may not claim previously scheduled days of another employee until a vacancy occurs or additional days become available. The employee shall notify the Employer in writing of their intent to claim additional hours or days when their availability is again unlimited.
- g) The claiming provision of the Article is applicable only to employees hired prior to December 31, 1992

Section 9.14 Senior employees with five (5) or more years of service will indicate in writing their continuing preference for day shift or night shift within their job function. Day shift is any shift scheduled to end at 6:00 p.m. or earlier. After such employees have notified the Manager of such continuing preference, such employees will be scheduled by seniority for the available shifts.

Section 9.15 All employees shall receive an unpaid lunch period during each eight (8) hour shift. The lunch period shall be either one-half (1/2) hour or one (1) hour by mutual agreement between the Employer and employee. Employees working six (6) hours or more, but less than eight (8) hours per day who request a lunch period shall be granted a one-half (1/2) hour lunch period. In the case of an eight (8) hour shift, the lunch break shall be scheduled no earlier than three (3) hours after the start of the shift and no later than three (3) hours before the end of the shift. In the case of a shift less than eight (8) hours, the lunch break shall be scheduled no later than two (2) hours prior to the termination of the shift and no earlier than two (2) hours after the start of the shift.

Section 9.16 Employees shall receive two (2) fifteen (15) minute uninterrupted rest periods without loss of pay, in any one workday. The rest periods shall be scheduled approximately within fifteen (15) minutes of the employees' half shifts. Employees working three and one-half (3 1/2) hours but less than seven (7) hours shall be entitled to one (1) rest period. Employees shall be compensated at their straight-time hourly rate of pay for rest periods not taken in violation of the rest period provisions herein.

Section 9.17 Night Crew Employees:

- a) Night crew employees are defined as any forty (40) hour per

week employees who work a majority of their scheduled hours after 9:00 p.m. or before 6:00 a.m.

- b) Night crew employees shall receive a fifty-cent (50¢) per hour premium for all hours worked. This premium shall be computed into vacation, holiday and sick pay.**
- c) Night crew employees shall not be scheduled without at least twelve (12) hours rest between their quitting time and starting time.**

Section 9.18 Night crew work shall be assigned by inverse seniority or at the employee's request. After twelve (12) months of employment on the night crew, a night crew employee may request, in writing, a transfer from the night crew. A copy of such request shall be sent to the Personnel Office of the Employer and to the Union.
